

Tools International Corp.  
Certificate of Compliance

To North Services & Rental Tools:

It is hereby certified that all articles in the quantities as called for in purchase order number (No P.O. Number Supplied), on sales order number 0034616 are new and unused, conform with the requirements, specifications, and drawings listed on that order and are covered under TIC's terms of warranty. Physical and chemical analysis covering the material are on file in our office and are available for inspection by qualified personnel at any time. A nominal fee will be assessed if copies of certifications of materials are required.

Date of Manufacture: January 2013

Date: February 28, 2013
